YOUTH ART MONTH

Youth Art Month was celebrated with a statewide student art exhibit held at the King Art Center in Columbus. The artist reception was held March 11. In the past OAEA has sponsored four separate components for Youth Art Month—the Youth Art Month Exhibit (YAM), the Young People’s Art Exhibit (YPAE), the Jerry Tollifson Art Criticism Open (JTACO) and the YAM Flag and Graphic Design competition. This year all four were held at the same place with three different receptions to a great crowd with standing room only.

The West Region is proud to announce the state winner of the Flag/Graphic Design Competition. Emersyn Gorrell is from Tipp City High School, teacher Alexis Morgan. See more Flag winners, pg 5.
