Suitability Guidelines

All work must be original in concept, design and execution; and may not violate U.S. copyright laws. Any entry that has been copied from an existing photo or image created by someone else (including a painting, graphic or advertisement) is a violation of these rules and cannot be accepted. It is not the intent to censor any artwork, although we do wish to avoid artwork that is potentially inappropriate for display in this highly traveled public area (including by young children). All work is subject to these guidelines in their entirety and may be rejected if the guidelines are not met. The final decision regarding the suitability of all artwork for the Ohio House of Representatives Student Art Exhibition will be made by staff of the Ohio House of Representatives, the Ohio Arts Council, and/or Ohio Art Education Association.

Waiver

By completing the digital or written permission slip, students (and, if applicable, parents) release the Ohio House of Representatives, Ohio Arts Council, Department of Administrative Services, and the Ohio Art Education Association from any and all losses, damages, liability, or claims for damage to or loss of the artwork or its reproduction that may result from theft, vandalism, adverse environmental conditions, including water damage, or any other cause of any kind while the artwork or its reproduction are on display or in transit.
